Dear Parents,

It was great to see so many of you visiting the school this week for parent teacher meetings. Remember if you have not yet been able to come and see us, you are welcome to contact the school office to make an appointment. We hope you found the time useful to talk your child's class teacher. We would be grateful to receive any feedback you might have on how we could improve these meetings.

Thank all of you who took the time to fill in the most recent Parent Questionnaire; your opinions and feedback are extremely important to us. Over the next few weeks we will be analysing the results and identifying what we can learn from them and how we can use them to further the development of the school. We will publish the findings to you early next term.

### **IMPORTANT INFORMATION PLEASE READ**

We will continue to consult with Public Health England about those pupils who have been ill with diarrhoea and/or vomiting and follow their advice.

At present numbers are still low and the school is following preventative measures as recommended.

If your child is ill please could parents/carers keep children off of school for 48 hours after the last bout of illness.

We will continue to monitor the situation and will keep you updated with any further developments.

The school will remain open for all other pupils and we appreciate your support in sending your children to school.

For further advice and guidance on symptoms etc: <http://www.nhs.uk/conditions/gastroenteritis/Pages/Introduction.aspx>.

### **Come and join us at our 'find out sessions'**

We would like to offer you the opportunity to come and find out more about how and what your children are learning with the following sessions. Approximately half an hour long in length, each of the talks will be full of practical information about the Highweek's approach to learning. The morning sessions will be held after you have dropped your child off and are in the studio, or alternately you might want to come and join us at our 6pm session where a crèche will be provided.

Refreshments will be provided. We do hope you will join us.

#### **Growth Mindset**

**Tuesday 21st  
March at 9.00am  
& 6.00pm**

Growth Mindset is all about how we develop children into successful learners so that they can make maximum progress. It is used throughout the school in all year groups and is open to everyone.

#### **Read, Write Inc**

**Wednesday 29th  
March at 9.00am &  
6.00pm**

Read, Write Inc, is the school's new approach to how we teach phonics, reading and writing skills. This is used with all Reception and Year 1 and 2 pupils and is open to any parent who would like to find out more.

#### **e-safety**

**Monday 24th  
April at 9.00am &  
6.00pm**

Will provide you with helpful information and guidance on the minefield of keeping your child safe when online.

Well done to our Friday Flyers our theme this week has been

"See effort as the path to mastery".

Our Friday Flyers promote our work around developing Growth Mindset and a can do attitude.

## Highweek Community Primary & Nursery School

1 Coronation Road 17

# Easter Bingo

Thursday 16th March

Doors Open 6.30pm for a 7pm Start

## Attendance

Torrige Class had 99.6% attendance for the week of 27th February—3rd March 2017.

Well done!

Remember our whole school attendance target for the year we are working to is 96.2%.

## Missing school is missing out!

It is essential for children to attend as much school as possible if they are to get the most from their education and achieve their full potential.

## SCIENCE WEEK

Please remember to return your space planetarium slips to the office by

Monday 13th March.

Thank you to everyone who have sent in Easter Eggs into school today.

These will be used as prizes for our Easter Egg Bingo which will take place on

Thursday 16th March.

## Assembly Dates 2017

### Spring Term 2017

Assemblies will run on a Wednesday at 3.10pm unless otherwise stated.
