

WW1 preview learning

We were overwhelmed last year at the standard of preview learning we received commemorating 100 years since WW1 and it was so lovely to be able to display and hold our own exhibition. Unfortunately, a child's preview learning which included black and white photos of family members has been misplaced. Please can you check your children's work that they brought home from school in July to see if it has been mixed up so we can reunite it with its rightful owner.

NOTE to Parents...

Please could we remind our parent/carers of the following.

- Children are only allowed to bring a mobile phone to school if they are walking to or from school alone and need it for safety. On arriving at school they must sign their mobile phone into the front office.
- Please could we remind all parents and carers that breakfast and after school club must be booked through Mrs Carole Rogers 07968 891535. If you do have to make a late booking please call the school office so that the class teacher can be informed before home time.
- Whilst every effort is made to monitor what your child eats at lunchtime, we have noticed a large amount of packed lunches are being thrown away. We have now decided that pupils who bring a packed lunch must take home their food waste which will give you an indication of what they have eaten during lunchtime.

Missing school is missing out!

Teign Class had **99.6%** attendance for the period of 16th - 19th December 2019.

Exe Class had **100%** attendance for the period of 6th - 10th January 2020.

A huge well done to you all !!!!

Remember our whole school attendance target for the year.

We are working towards is **96.2%**.

It is essential for children to attend as much school as possible if they are to get the most from their education and achieve their full potential.

Every day counts.....

We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so. There is a clear link between achievement and attendance and you can keep up with date with your child's attendance via the School Gateway app. We work closely with the Education Welfare Officer (EWO) and review attendance on a monthly basis, any pupils falling below our 96.2% target may receive a letter home highlighting this. We will continue to monitor their attendance and if there is no improvement we will invite parents into school to discuss how we are able to work actively together ensure a regular pattern is maintained. If you have any queries or concerns about your child's attendance please contact school, a copy of our attendance policy can be found on the school website.
