Come and join us at our 'find out sessions'

We would like to offer you the opportunity to come and find out more about how and what your children are learning with the following sessions. Approximately half an hour long in length, each of the talks will be full of practical information about the Highweek's approach to learning. The morning sessions will be held after you have dropped your child off and are in the studio, or alternately you might want to come and join us at our 6pm session where a crèche will be provided.

Refreshments will be provided. We do hope you will join us.

Kind donation

We would like to say thank you to the PTFA who are very kindly donating £1000 towards new books for children on the Accelerated Reading scheme in Years 2, 3 and 4. We are really grateful for their continued hard work in raising money for the school.

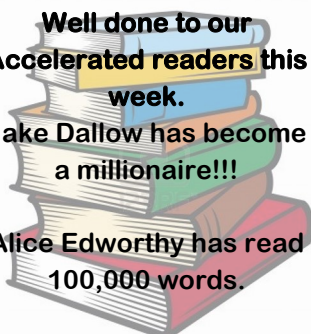

Thank you

To all of the parents, carers & friends who kindly came into school to help us with the tree planting on Friday 10th March.

**Well done to our
Accelerated readers this
week.**

a millionaire!!!**

**Alice Edworthy has read
100,000 words.**

It has been brought to our attention that the back lane is becoming increasingly dangerous for pedestrians, where possible please could pedestrians use appropriate footpaths when coming to and from school. Walking from Highweek Road up through the lane is not suitable especially if you have a pushchair.

Please could we also ask all parents and carers to be mindful of where they park at drop off and collection times, please could all parking restrictions in the area be followed.

Thank you for your co-operation in this matter.

Well done to our Friday Flyers our theme this week has been
"Learn from feedback".

Our Friday Flyers promote our work around
 developing Growth Mindset and a can do attitude.

Our Friday Flyers are announced in our achievement assembly
 on a Friday morning at 9am.

Attendance

Torridge Class had
 100% attendance for
 the week of
 6th March—10th
 March 2017.

Well done!

Remember our whole school attendance
 target for the year we are working to is
 96.2%.

Missing school is missing out!

It is essential for children to attend as much
 school as possible if they are to get the most
 from their education and achieve their full
 potential.

Thank you for your co-operation during the past
 couple of weeks with regards to the
 illnesses that have been going around school. We
 are still in communication with Public Health
 England and following all guidelines.
