

Innovate... Let's get creative!

You could make an animal mask to wear during our visit. Which animal would you like to be? Use your best cutting and sticking to make your mask.

Down in the woods, let's follow the trail the animals have left us... Where does it lead to?

Look out for woodland treasures on the way. What interesting objects can you collect? What sounds do you hear? Are any of the animals watching?

Let's get ready for the party... What do we need to make or prepare? Let's make a list.

Explore holes and hollows, tree stumps and tunnels. Use torches to explore the undergrowth. Tell a grown up what you discover!

Which story do you think they would like to hear? Let's take a vote!

Hello Woodland Explorers,
Would you like to join us for a special woodland party deep in the woods? There will be plenty to eat, games to play and creatures to meet.
We would love to see you there!

Let's make a camp! Collect sticks and twigs to make seats and a table where we can eat our party food and read our story to the animals.

We'd better let Mr Fox know how many guests to expect... Let's write a short letter accepting his invitation! Where do we send it to?

Best wishes,
Mr Fox

CONGRATULATIONS!
You have completed your Innovation Challenge.

Make a map to show where you went and how you got there!

Ta dah!
Here comes Mr Fox!
Find a leaf to wave as he walks by! Enjoy your party food and remember to take lots of photographs of this special event.

Let's make some decorations to hang in the trees. We'll use all the leaves, sticks, petals and cones we can find. What will you make?

The animals must be hiding. Can you see them? They are very shy!

You will need

- Torches
- Pebbles to leave a trail for the children
- Pictures, puppets or soft toys of woodland animals
- Digital cameras
- A fox mask (and a willing adult to wear it)
- Small bags for collecting
- String and scissors
- Some party food for your picnic.
